Australian airline first: Jetstar to offer Global SIM card to customers

In a first for an Australian airline, low fares leader Jetstar today announced the release of the Jetstar Global SIM, thanks to its partnership with GoSIM, for customers to purchase and save on international calls and text whilst on holidays.

By placing the Jetstar Global SIM card in an unlocked mobile phone, customers can receive calls for free in more than 70 countries around the world and make low cost calls from 180 destinations.

The Jetstar Global SIM card provides savings on customers' mobile phone call charges, offering value whilst abroad. It's a smart, convenient and cost effective way for travellers to stay in touch with loved ones while on holidays.

Jetstar Chief Commercial Officer David Koczkar said Jetstar continues to work with new partners to bring innovative products to the market for its customers.

"Jetstar offers value to customers when they fly and also while they're on holidays. The innovative Jetstar Global SIM card provided by GoSIM gives customers the choice to stay in touch while on holidays without the surprise of an enormous phone bill when they get home," Mr Koczkar said.

Key features of the Jetstar Global SIM enabled by GoSIM include:

- Chat from 180 countries/territories;
- No charge for receiving unlimited incoming calls in over 70 countries;
- FREE to receive SMS/texts in all 180 countries;
- GPRS data available in over 135 countries/territories;
- No daily access charges or monthly fees;
- Calling, voice mail, SMS and data;
- Pre-paid and rechargeable – No contracts and no monthly or connection fees;
- Use in any unlocked GSM mobile handset; and
- 24/7 customer support.

Visit Jetstar.com/GlobalSIM today to purchase the Jetstar Global SIM card.
