Jetstar Group Chief Commercial Officer David Koczkar said the launch of Club Jetstar is a significant milestone for the Group and its customers.

"Jetstar is delighted to introduce Club Jetstar, a program focused on bringing more low fares and additional benefits to our valued customers," Mr Koczkar said.

"Based on customer feedback, with Jetstar customers now flying more often and to a greater variety of domestic and international destinations than ever before, Club Jetstar members can take advantage of access to exclusive flight offers as well as receiving special discounts on a range of products and services.

"We will introduce further discount offers as the program grows to ensure even greater choice and value for our customers."
