Jetstar Asia adds services to Kuala Lumpur, Penang and Bangkok for Lunar New Year

Jetstar Asia has announced it will operate seven extra return services between Singapore and three key destinations – Kuala Lumpur, Penang, and Bangkok – to meet the rising demand for air travel during the 2023 Lunar New Year holidays.

These flights will supplement Jetstar Asia's normal scheduled services from 13 to 29 January 2023.

The expanded schedule will include:

- An increase of five services between Singapore and Kuala Lumpur, upping the frequency to 26 return services a week
- An increase of one additional service between Singapore and Penang, increasing frequency to nine return services a week
- An increase in one additional service between Singapore and Bangkok, increasing frequency to 15 return services a week

Southeast Asian countries traditionally observe the Lunar New Year with public holidays which will fall on 22 and 23 January 2023.

Travelers should book early on Jetstar.com to avoid disappointment during peak travel season.
