Dear Valued Travel Partner,

Melbourne and Colombo – Now Just One Flight Away

We're thrilled to announce that starting 25 August 2026*, Jetstar Airways is introducing a direct service between Melbourne and Colombo, operating 3 return flights per week.

Our Boeing 787 Dreamliners will service this route, providing options for our customers to fly directly into Melbourne, making travel easier and more convenient. Plus, with Jetstar's extensive domestic network, connecting across Australia has never been easier.

From March 2026, we'll be refreshing our Boeing 787 Dreamliner fleet to provide our customers with more in-flight comfort and choice. While we roll out these

enhancements, there will be a transition period, during which you may find yourself on board a refreshed 787 or one of our current aircraft. [Find out more here](#)

2026 MaSTARs!

At Jetstar, we are passionate about making sure you have all the tools to help you educate your customers on what they need to know about flying with us.

Jetstar has developed a program to keep you informed and updated on how to sell our award-winning low-cost carrier – our Jetstar MaSTARs program!

Both New STARter training and MaSTARclass sessions will be 30 minutes or less and hosted on Microsoft Teams with a member of Jetstar’s Australian sales team. All sessions will be presented in English.

If you are interested, you can register at [Jetstar’s Learning and Development page](#). When submitting the registration form please note the following:

- If you are keen on the New Starter Training, the training session will be from 1pm-1.30pm AEDT
- Please select the Afternoon sessions to ensure you receive the correct meeting invite with the later timing (3pm-3.30pm AEDT).
- You can select multiple classes that you wish to attend
- Ensure each individual registers separately to receive their unique meeting invite

Attend 3 of 5 sessions to be eligible to WIN our Jetstar MaSTARs Trivia!

The trivia session will be hosted in month 6 and 12 (June and December) and the questions will be based on your prior 5 months of learning. [T&Cs apply](#)
